SUPPLEMENT CATALOG

EUROFASE LIGHTING

Accountability, communication, trust and respect. Our success is made up of outstanding, hard-working individuals collectively moving as one, striving to provide the best solution to all your lighting needs.

Premiering a new product selection, we at Eurofase keep design at the forefront to provide you with top of the line products. This catalog features a total of 24 new collections, a supplement to our principal Luce décor lighting catalog.

We offer decorative fixtures that deliver various styles that will accent or define your space. Lighting is not just a thingamabob created to help you see better, it is a reflection of your personality and embodies individual artistry. We take pride in our products and believe in what we do.

For a full list of all our designs, we invite you to visit eurofase.com.

BLOOMFIELD [BLOOM-FIELD]

A lustrous collection of delicate, high-gloss metal chains cascade like gleaming streams of water in this transitional piece. Resembling armored chain mail, the polished, plated mesh envelops each integrated LED light to add a soft, shimmering glow.

LAGATTO

[LA-GAH-TOH]

Handmade metal shades feature a hammered surface for an organic dimpled texture. The uniquely curved upright is reflected into the underside of the dome, creating a soft diffused glow. Inspired by lily pads, this free-flowing form provides a magically beautiful aesthetic that is enhanced as each head cascades down.

ÉCROU [EH-CREW]

Drawing inspiration, straight from nature, the Écrou collection showcases large hand blown glass shades reminiscent of large acorns. The clear glass highlights a detailed wood grain texture that is combined with your choice of matte black, matte gold, or a mix of both finishes for a stately, stylized piece. For further illumination options, this collection uses compatible LED lamping.

HAND PRESSED TEXTURE

HAND CUT GLASS

PATENT
PENDING

COCOLINA [KOKO-LEENA]

Hand cut, naturally colored glass in the Cocolina collection creates one-of-a-kind pieces. Because of its natural tinting process, the colors are not all exact, providing a range of smoke and amber hues which further adds to its uniqueness. With its intricate detailing of the hand pressed glass, the light emits a captivating warmth from within.

LIVRA

[LEEV-RA]

An intricate fan frame, inspired by traditional water mills, feature squared brackets that fan out in an asymmetrical pattern. Each bracket houses an inner and outer integrated LED strip that is encased between two metal panes for full illumination. The Livra collection includes a wall sconce, pendant, and chandelier for a seamless design throughout your space.

ETCHED STRIATIONS

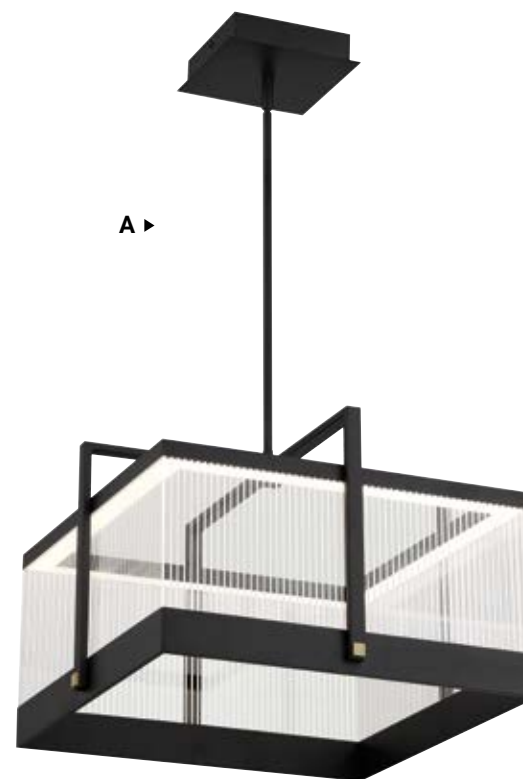

ILLUMINATED TEXTURE

TYE [TIE]

Etched lucite features evenly spaced vertical striations to capture light and create a clean textured pattern. Using indirect light, the integrated LED shines brightly through the scored surface. Its unique design lends this collection to various décor trends from contemporary farmhouse to modern nautical styles.

OUTWARD LED
LIGHT SOURCE

ANODIZED ALUMINUM

COBURG [KO-BERG]

Slim, edge-lit LED panels are creatively positioned to intersect in a dynamic, whimsically modern design. A continuous run of LED lights delivers seamless, multi-directional lighting. The interlocking aluminum panels are laser cut for added precision and anodized to create a durable, corrosion-resistant finish that's available in either gold or black.

VERDURA [VER-DURE-AH]

The Verdura collection features vegan leather, accentuated by decorative silver studs. The two-toned fabric highlights one color on the inside while displaying a complementary second color on the outer ring. The textured grooves are highlighted by the luminous glow of integrated LED lights that are encased between. This collection is not only abundant in size but also in the number of fixtures offered.

Be it a small home office or a grand staircase, the Verdura collection is available in a range of fixture sizes to fit any room space.

RICH BLACK FRAME

WATERFALL GLASS

VENYA [VEN-YAH]

The Venya collection highlights a thick glass panel with a waterfall texture that is securely placed at the front and back of this rich black frame. Capturing the light within each crevasse, the integrated LED creates a 3D effect as the light grazes against the surface. The LED recessed within perfectly illuminates your space without any hot spots for a flawless brilliance.

BLOWN GLASS CYLINDERS

BASTILLE [BA-STEEL]

Inspired by the ever popular open caged chandeliers, Bastille's outer frame is made of black galvanized steel for a durable yet airy structure. Delicately encasing the bulbs are hand-blown glass, which completes its debonair style. This collection, offering a full line completely suitable for indoor and outdoor living, adds a new piece to its collection this year with the grand 6-light lantern.

TAMAR

[TAH-MAHR]

White acrylic rectangular prisms are nestled neatly within a bold black frame. This sharp design highlights a strong geometric structure and simple form. A diffused glow illuminates from the opal finish of the LED prisms for a velvet radiance. Originally only for indoor applications, the Tamar collection has expanded to outdoor flush mounts and grand sconces.
